

Manage Banners

Manage Banner on Inventory page.

Note: Banner on main inventory is shared by default on all category pages.

Category pages can have unique banners. Products can as well, by default no banner displays.

Front end view >>>

Next page

Manage Banners

Upload a unique banner image on an existing category page and data. Save at bottom of page.

Edit category

Name
Glass
The name is how it appears on your site.

Slug
glass
The "slug" is the URL-friendly version of the name. It is usually all lowercase and contains only letters, numbers, and hyphens.

Parent category
None
Assign a parent term to create a hierarchy. The term Jazz, for example, would be the parent of Bebop and Big Band.

Description
Add Media
Visual Code
Paragraph
The description is not prominent by default; however, some themes may show it.
