

Manage 'In The Spotlight' on Home page

In The Spotlight thumbnail images link to their respective Vignette Pages, where other related products are displayed. (screenshot below)

IN THE SPOTLIGHT

Show room hours: Closed Sundays. Open Thursday - Saturday from 11 am - 5 pm.
566 Warren St. in Hudson, NY 12534
518-822-0729

STEP ONE: Manage the images and their associated Vignette pages:
Dashboard > WooCommerce > Products > Categories

Hover over category (Vignette) and click 'edit.' (see screenshot below)

The screenshot shows the WordPress dashboard for 'Sutter Antiques'. The left sidebar contains a menu with 'Products' highlighted. The main content area is titled 'Product categories'. On the right, there is a table of product categories. A red arrow points to the 'Vignette' category in the table, with the text 'Click edit' below it.

Bulk actions	Image	Header	Name	Description		
☐			Glass	—	☐	☐
☐			Sale Items	—	☐	☐
☐			Spotlight Categories	—	☐	☐
☐			Vignette	Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since 1966, when designers at Letraset and James Mosley, the librarian at St Bride Printing Library in London, took a 1914 Cicero translation and scrambled it to make dummy text for Letraset's Body Type sheets. It has survived not only many decades, but also the leap into electronic typesetting, remaining essentially unchanged. Lorem Ipsum is simply dummy text of the printing and typesetting industry. Manage 'In The Spotlight' on Home page

Edit the Vignette page data to suit (replace the example thumbnail, dummy text), and save.
Note option to edit Vignette page name.

The screenshot shows the WordPress 'Edit category' page for 'Vignette'. Red arrows point to the following elements:

- Edit name:** Points to the 'Name' field containing 'Vignette'.
- edit text:** Points to the 'Description' text area.
- Upload/Add image:** Points to the 'Header Image' upload button.
- Click 'Save' at bottom of page:** Points to the 'Save' button at the bottom of the form.

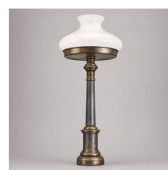

The page includes a sidebar with navigation links (Dashboard, Posts, Events, Media, Pages, Comments, Contact, The Retailer, WooCommerce, Products, All Products, Add new product, Brands, Categories, Tags, Attributes, Global Product Sort, Reviews, Payments, WebToffee Import Export (Basic), Analytics, Marketing, Appearance, Plugins, Users, Tools, WPBakery Page Builder, Settings, Simple Sitemap, Yoast SEO, MC4WP, Security, Slider Revolution, Performance, Smush, Collapse Menu) and a main content area with fields for Name, Slug, Parent category, Description, Header Image, Main Heading, Sub Heading, Short Description, Header, Display type, Thumbnail, and Yoast SEO.

Home > Inventory > Spotlight Categories > Vignette

SORT BY LATEST

Front end view >>>

To add products associated with Vignette page go to given product to edit and check the checkbox for given Vignette.

Manage 'In The Spotlight' on Home page

Next, to add more associated product images go to >WooCommerce >Products >All products
Select product >Edit as shown in screenshot below and SAVE.

The product will now show on the given page. You can remove products on any of the vignettes by un-checking category in the editing window as shown below.

The screenshot shows the WordPress product edit interface for a lamp. The left sidebar contains the WordPress dashboard menu, with 'WooCommerce' and 'Products' highlighted. The main content area displays the product details, including a title, description, and several sections: 'The Moderator Lamp', 'Decorative Appeal', 'Condition', and 'A Collector's Piece'. The right sidebar contains product management options, including 'Product image', 'Product gallery', 'Product categories', and 'Product tags'. Red annotations highlight specific areas: a red circle around the 'Products' menu item, a red circle around the 'Vignette' category in the 'Product categories' list, and a red arrow pointing from the 'Save after edit' text to the 'Update' button.

WooCommerce >Products >All products
Select product >Edit as shown in screenshot below and SAVE.

The product will now show on the given page. You can remove products on any of the vignettes by un-checking category in the editing window as shown below.
